

14/18 integrin-mediated signaling pathway

162/234 *cell adhesion*

10/14 *multicellular organismal catabolic process*

273/395 *cell cycle process*

**193/274 transmembrane transport**

**127/170 ion transmembrane transport**

21/26 *inorganic anion transport*

252/349 ion transport

78/107 anion transport

17/20 chloride transport

17/22 *monocarboxylic acid transport*

133/194 neurological system process

**178/263 system process**

**71/98 translation**

11/13 axonemal dynein complex assembly

**p < 0.01**

p < 0.05

p < 0.1
